Taofiq Aiyelabegan

Web Developer

CAREER OBJECTIVES

I am a self-taught web developer with a strong eye for innovative design and a keen understanding of techniques geared toward optimum user experience. I am passionate about all things regarding JavaScript. I work hard on writing my codes, ensuring they are clean and well readable for the other readers to understand. I am currently looking for the right opportunity to work in an environment that will help me become a full-stack web developer.

SPECIALIZATIONS

- Web Design
- Front-end coding
- User Interface/User Experience
- Design Thinking
- SIngle Page Applications
